

## **A Letter From the Rev. Harry Green, District Congregational Services Consultant**

For the past 34 years it has been an honor and a privilege to serve Unitarian Universalism in a variety of ways. For most of those years, 13 to be exact, I have been involved in the important work of our districts, as a District Executive in the Prairie Star District from 1986-94, and more recently in the Metro New York District beginning in 2001.

Effective June 30, 2006, I will be retiring from district service work. This is not an end to my working life, only an end to an important phase of my work. While I have both enjoyed the people and grown from the challenges that district service has afforded me, it is a time in my life that I look forward to the freedom of exploring other work opportunities that have long been of interest to me.

Over the next five months we have the opportunity to finish the work we have been involved in together, to say goodbye, and to begin the process of re-creating our relationship for the years to come. I am not leaving the metropolitan New York area. For the foreseeable future, that will remain the case. I look forward to the possibility of working with many of you as I identify and process new opportunities for service.

If you have questions about any of this, I invite you to be in touch with me. I look forward to our continuing relationship.

Thank you for this opportunity to have served you all.
