

Gulf Coast Relief Preparation Workshop to be Held February 17

The Gulf Coast Relief Preparation Workshop will be held February 17 from 10:00 a.m.- 12:00 p.m. at the [Fourth Universalist Society \(Manhattan\)](#), Room B2. The workshop is an opportunity to connect with others in the District heading south to participate in Gulf Coast relief work. Everyone in the District planning to participate in relief efforts during the next few months is invited to attend. This gathering will provide some time to ask questions and reflect upon your expectations, hopes, goals, and purpose as volunteers. There will be some work preparing the volunteers for the cultural differences and suffering they are likely to encounter. This portion of the workshop will be presented by the Rev. Rosemary Bray McNatt, minister at the Fourth Universalist Society (Manhattan), and member of the [UU Trauma Response Ministry](#). The workshop will be followed up in May with a debriefing, an opportunity to share and reflect upon your experiences over a meal.

Participants should enter the building at 4 West 76th St, off Central Park West.

Please RSVP to the Rev. Abigail Stockman at revstockman@uufellowship.org or 914-241-1360.
