

COME TOGETHER

JULY 11 - 18, 2009

Come and join us for an inspiring week of spiritual development, UU community and Star Island magic. The 2009 conference is shaping up to be one of our most inspiring and exciting, with a theme full of music, enlightenment and humor, along with a variety of workshops that support our lifelong journey of spiritual and personal growth.

THEME FOR 2009

seeds for growing a
spirited life

WHAT DOES A SPIRITED LIFE LOOK LIKE?

How do we know if we are growing one for ourselves and for those who are in relationship with us?

As those seeds grow, what does the flowering look like?

What fruit do they produce?

Not all spirited lives are the same. What is the one you would like to grow?
