

District Sponsors Three Events at 2006 General Assembly

If you're headed to St. Louis MO for General Assembly June 21-25, consider attending three events sponsored by the Metro NY District.

Metro New York District In-Gathering (June 21, 5:00-6:00 PM, America's Center 228)

Unitarian Universalists from the Metro NY District are invited to gather to meet and greet others from the Metro NY District, share successes and challenges - and perhaps make arrangements to meet in small groups for a meal during GA. Led by Jerry Muntz, District President.

Changing How We "Do Justice" (June 22, 8:00-9:15 AM, America's Center 226)

Hiring a Social Justice Director is the outward sign of a congregation's enlarged vision of social justice ministry. This workshop outlines the visioning work in a large church leading to the decision to hire, the process of developing congregational readiness for change, and the first year experiences in a new collaborative social justice program. Led by Frances Sink, Rev. Frank Hall, and David Vita, Unitarian Church in Westport (CT).

Chalice Lighter, Burning Brighter (June 23, 4:00-5:15 PM, America's Center 267)

Come learn about the unique Chalice Lighter Program in the Metro NY District. Not only does our program successfully raise funds for growth initiatives, it also forms strong bonds between congregations. How? Our grant congregations send goodwill ambassadors to other congregations, inspiring donors with their vision during worship. Everyone learns and grows! Led by William Slezak, the Rev. Harry Green, and Andrea Lerner, Metro NY District.
