

District Committee on Accessibilities Available to Congregations

The Metro NY District Committee on Accessibilities is a group of a few individuals who are committed to making our congregations more welcome to all with some form of disability. Rosemarie Newberry and Steve Fishbein are available to do workshops and Sunday services on the topic supporting those with developmental disabilities (Rosemarie) and those with mental illness (Steve). We also suggest that you look at the UUA website which is full of very good stuff: <http://www.uua.org/programs/idbm/accessibilities/>. We know that now is the time for putting together the summer calendar and starting to think about fall activities. We would love to help you. We also have a lot of contact with many others in and outside of UU that are willing to support you and your congregations.

Currently, we are looking for more people to join our committee and to help with a "booth" at the District Annual Meeting. If you have any interest, you may contact Rosemarie Newberry at 732-331-9463 or at newberry0320@comcast.net. Steve and Rosemarie are both from NJ and we would love to have representation for NY and CT.
