

News from the UU Congregation of Central Nassau

The Unitarian Universalist Congregation of Central Nassau (Garden City NJ) will be hosting a dinner in honor of Reverend William Sinkford's visit to our congregation on Sunday evening, October 9, 2005. We look forward to getting to know our UUA President in person, and to learn more about what is happening in the greater UU world. We are celebrating our 40th year in our building here in Garden City, and what better way to start this anniversary year?!

Our second Coffee House Concert will take place on Friday, October 7th at 8 PM - "The Work O' the Weavers". We will be continuing these concerts ever month usually on the first Friday of the month. Please check out our concert series and dates at [Click here: Coffee House Concerts](#)

We are looking forward to our Leadership/Board Retreat on September 24, 2005 which be held at the Shelter Rock Congregation. Our facilitator for this event will be Reverend Kate Lehman from Stony Brook. We will be exploring new ideas and learning about some that have worked well for Kate's congregation in the area of stewardship and growth.
