

Imagine

a religion that embraces many different beliefs...

...including yours. If you're searching for a spiritual home for your family, where people honor each other's beliefs and worship together as one faith, find us. We are the Unitarian Universalists of the Bay Area—17 area congregations that invite you to learn more about our faith.

Raising children to build bridges, not walls. Unitarian Universalists believe in teaching children about all the great religions of the world, about social justice, the wonders of nature, and ethical decision making. We guide children and youth in facing and solving the dilemmas and choices of their everyday lives. We help them make decisions about who they want to become and the world they want to help create. Our congregations are places for fun, learning and affirmation—places where your values are supported by a loving, open-minded spiritual community. We welcome you to visit one of our congregations on a Sunday morning and *discover Unitarian Universalism*.
