# Celebrate the holidays in a wise & joyful way

This holiday season, bring a new dimension to your holiday celebrations. In the religious education program of the Unitarian Universalist Congregation at Shelter Rock, we experience the cultures of the world in a variety of ways:

- Music, costumes and food
- Observances from the world's many faiths
- Stories and poetry
- Activities that foster a sense of community

Open admission encourages children and youth - ages 3 to 18 - to experience the openness and community that we extend to families from all over the region, from all walks of life, from all religious backgrounds.
